## Chapter 1 by Dominic

One day a bunny named Kion was talking to his friends in the enchanted forest and his friend Dylan said he was going to see a very powerful wizard named Marc. Dylan said that he went to Marc and he gave him the power to summon carrots whenever he wants. Kion thought to himself he wanted to summon carrots whenever he wants as well. So Kion went to Marc and asked him to give him the power to summon carrots. Marc gave him a power but it wasn't the power to summon carrots. Marc took away his voice because he didn't ask politely and now he can't. Marc told Kion a prophecy that a brave bunny would save the day from a powerful witch named Regina. Marc said the only way to get his voice back he had to face Regina. Kion prepared for the journey to Regina's castle by the forbidden lake. When he arrived at Regina's castle he saw stained glass windows about the prophecy. The last stained glass window showed that the only way to get his voice back was to kiss Regina on the lips. He snuck into her castle and saw her in her bedroom and thought it was the perfect time to get that kiss. He was wrong, he saw her crying and talking to her best guard about her plans to release a boulder into the bunny kingdom. Kion was shocked paralyzed with fear. He didn't know what to do. He waited for her to sleep and then when she fell asleep he snuck the kiss and it worked he hopped all the way back to the bunny kingdom and told the king about Regina's plans and he ordered the guards to tell

everyone to pack up their stuff to leave in the morning but it was too late the boulder was already released everyone ran...
